Test #3 is over the Intrapartum (Labor & Delivery) unit.

Test #4 is over the Antepartum (Prenatal) unit.

Prior to the first class, August 23, all students need to view the Tegrity presentation “A&P Reproductive System” and read “Orientation to NUR 106 D” found on the Home Page of the NUR 106 D Blackboard site. Lecture on the Postpartum Patient will begin on the first day of class.
